

DC Bilingual Public Charter School

**MUST BE
RETURNED
BY
JANUARY 29,
2010**

January 8th, 2010

Dear DC Bilingual Families:

DC Bilingual PCS is ready to accept your child's intent to reenroll. As a current DC Bilingual student, your child is guaranteed a place for the coming school year. However, we must receive this form completed with all of the appropriate information by January 29, 2010.

In addition, as is true for many other charter schools, there is a sibling preference policy. This means that provided there are openings at the requested grade levels and the application is completed, siblings of children currently enrolled at DC Bilingual PCS will be granted lottery preference and will have the opportunity to be randomly chosen first in DC Bilingual's lottery on April 9th, 2010. Your child's sibling must complete a new student lottery application. This form is only for current students, not for new siblings.

In order to best prepare for the enrollment and lottery process we need your help. Please complete and return the bottom portion of this page by January 29, 2010. Please note that this information is not binding and we recognize that your plans may change in the coming months. However, this information will help us in our planning. Feel free to contact me if you have any questions.

Thank you.

Sincerely,

Wanda Perez
Director
